

Sabika Gold Cookie Policy

1. Introduction

This Cookie Policy explains how Sabika Gold uses cookies and similar technologies on our website, mobile application, and digital services.

Cookies help us operate our services, improve performance, understand user behaviour, secure customer accounts, and deliver relevant content.

By using our website or app, you agree to the use of cookies and similar technologies as described in this Cookie Policy, where permitted by law.

2. What Are Cookies?

Cookies are small text files placed on your device when you visit a website or use a digital service. They allow the service to recognise your device, remember preferences, improve functionality, and collect usage information.

Similar technologies may include pixels, tags, SDKs, local storage, device identifiers, and analytics tools.

3. Types of Cookies We Use

3.1 Strictly Necessary Cookies

These cookies are required for the website or app to function properly.

They may be used for:

- Account login;
- Authentication;
- Security;
- Fraud prevention;
- Session management;
- Load balancing;
- Remembering privacy choices;
- Enabling core app functionality.

You cannot disable strictly necessary cookies through our cookie settings because the service may not work without them.

3.2 Performance and Analytics Cookies

These cookies help us understand how users interact with our website or app.

They may collect information such as:

- Pages visited;
- Time spent on pages;
- App screens viewed;
- Error messages;
- Device type;
- Browser type;
- Traffic sources;
- Feature usage.

We use this information to improve performance, fix issues, and develop better services.

3.3 Functionality Cookies

These cookies allow us to remember your choices and improve your experience.

They may remember:

- Language preferences;
- Region settings;
- Display preferences;
- Previously entered information;
- App preferences.

3.4 Marketing and Advertising Cookies

Where permitted, these cookies help us measure and improve marketing campaigns.

They may be used to:

- Show relevant advertisements;
- Measure campaign performance;
- Understand referral sources;
- Avoid showing repeated ads;
- Build audience segments;
- Track conversions from advertisements.

You can control marketing cookies through your browser settings, device settings, or our cookie consent tools where available.

4. Third-Party Cookies

Some cookies or similar technologies may be placed by third-party providers, including:

- Analytics providers;
- Advertising platforms;
- Payment providers;
- Security providers;
- Customer support tools;
- App performance monitoring providers;

- Social media platforms.

These third parties may process data according to their own privacy policies.

5. Why We Use Cookies

We use cookies and similar technologies to:

- Operate our website and app;
- Keep your account secure;
- Detect fraud and suspicious activity;
- Remember your settings;
- Improve speed and performance;
- Analyse how users interact with our services;
- Fix bugs and errors;
- Measure marketing campaigns;
- Improve customer experience.

6. Managing Cookies

You can manage cookies through:

- Your browser settings;
- Your device settings;
- Our cookie banner or preference centre where available;
- Advertising platform opt-out tools where available.

If you disable certain cookies, some parts of the website or app may not work properly.

7. Mobile App Technologies

In our mobile app, we may use SDKs, device identifiers, push notification tokens, analytics tools, crash reporting tools, and fraud prevention technologies.

These technologies help us operate the app, secure accounts, detect technical issues, and improve performance.

8. Updates to This Cookie Policy

We may update this Cookie Policy from time to time. The latest version will be available on our website or app.
